Reporting Abuse and Neglect

Texas law requires any person who believes that a child or person 65 years or older or an adult with disabilities is being abused, neglected, or exploited to report the circumstances to the Texas Department of Family and Protective Services (DFPS) Abuse Hotline. A person making a report is immune from civil or criminal liability, and the name of the person making the report is kept confidential. Any person who suspects abuse and does not report it can be held liable for a Class-A misdemeanor.

For life threatening or emergency situations, call your local law enforcement agency or 911 immediately, and then make a report to DFPS.

There are two resources for reporting abuse, neglect and exploitation. One resource to report perpetrators who are paid providers and one to report perpetrators who are not paid providers

I acknowledge my responsibility as an employee, contract employee, vendor or volunteer of a DADS service agency to report reasonable suspicion of a crime against an individual.
